

CLAIM

5 We claim a new and distinct variety of clematis plant,  
substantially as herein shown and detailed, as a distinct  
and novel clematis variety due to its abundant violet blue  
flowers with good keepability, attractive long lasting  
foliage and compact growth, year round flowering under  
10 glasshouse conditions, suitability for production from  
softwood cuttings in pots, durable flowers and foliage  
which make the variety suitable for distribution in the  
floral industry.
